A message from Mr Wright

It's the final half term of a busy year and there is still so much for our children to look forward to in June and July, with lots of school trips being organized. One for the diary of parents of **Year 3** children is the **Feast Of Choirs Gospel Concert on the 6th July at the Liverpool Anglican Cathedral at 7pm**. Year 3 have grown in confidence during the year, performing in front of different audiences and this will be a memorable way to celebrate their efforts - we hope you can make it. Today **Y5 Willow Class** and the **Giant Redwoods** visited the **Museum of Science & Industry** and I know that all other year groups have exciting trips planned for the summer term. We will also soon be announcing our summer term '**Parent Class Visits**', where we all look forward to seeing families join us in school for some fun learning. With sports days coming up in a few weeks, it's starting to feel like summer – all we need now is the sunshine to stay!

On a separate note, this morning I had a very positive meeting with Sharon Wilson **from Warrington Parents & Carers**. Sharon will soon be joining our '**Chit Chat & Bacon Bap**' sessions on Friday mornings to offer advice and support to any parents who need it.

Finally we would like to thank all parents, carers and friends who supported our **Tesco Bags for Life** application. Everyone who voted helped us to gain second place in the bid and we are being awarded with **£2000** to enable us to enhance our outside learning environment. 

Rights Respecting School...

Our **Right of the Week** is Article 39 - Children have the right to help if they've been hurt, neglected or badly treated. In light of recent events, we hope all the children receive the support they need to recover.

Safeguarding & Welfare...

This is a new section where we will provide regular safeguarding and welfare advice for families. Please contact our **Welfare Co-ordinator (Mrs N Vernon)** or our **Family Liaison Officer (Miss D Wright)** for support.

The Big Interview...

This is a new feature to the school newsletter. Each interview will feature a member of our school community who will talk about what life is like at Meadowside for them and help us to get to know them a little better. Each interview is conducted by pupils, who thought about what they thought the readers would like to know.

Our first interview focuses on what life is like in Year 6 for... MICHAEL SHEPPARD-SMITH

What has it been like being in Year 6? Year 6 has been challenging as we have been preparing for SATs. However, we have been taught many strategies to answer challenging questions. Year 6 is hard work but rewarding.

What advice would you give to a Y5 pupil? Year 6 is actually quite fun and it is not as daunting as I first thought. I would tell the Year 5 pupils to concentrate, take the work seriously and never give up!

Who has inspired you during your time at Meadowside? Mr Berry has inspired me during our PE lessons. He always helps me to do my best and enables me to reach my full potential.

What are your aspirations? I aspire to be a Critical Care Technologist. My passion is technology. In Y5 we researched into the careers we would like to do when we grow up. I looked into different careers and this one really interested me.

What makes Meadowside a good school?

The teachers are friendly and have good teaching strategies to help you through challenging lessons. I like the way that the teachers understand what you are good at and then provide you with additional opportunities to practice your skills. For example, we can go to the Maths Hub during dinnertimes.

'Uniform Swap Shop'

Monday 17th & Tuesday 18th July - If you have any old uniform that your child has grown out of, or they are moving on to a new school or secondary, we would be delighted to receive it as a donation. If you then need to get a new uniform, you may be first to come along to pick one from the donations.

The rules are simple:

- All clothes must be clean (freshly washed)
- Free from rips or tears
- Free from missing buttons
- Free from permanent stains
