A message from Mr Wright

It has been another busy week at Meadowside – and a very hot one! Unfortunately we had to postpone our netball match with Gorse Covert due to the hot conditions but this will hopefully now go ahead on Monday. **Y6** have had a busy week preparing for their writing to be assessed, as well as taking part in a Judo safety awareness session, some taking their CATs tests at Beamont Collegiate Academy and finally posing for leavers photos today. I'm sure their final few weeks here at Meadowside will fly past in a blur for this special class and we hope they enjoy every minute!

Next Wednesday is our parents meeting for our new starters in Reception class for September. We look forward to welcoming you and your children to our school.

Reminder – School will be closed on Friday 30th June for Warrington Walking Day.

Rights Respecting School...

This week we have been thinking of all the families affected by the fire disaster in London. Our Article of the week states that children have the right to special care and help if they cannot live with their parents. Year 5 have been set the poster challenge. Good luck!

Safeguarding & Welfare...

[O2 and NSPCC partnership](#) Online help and support including ideas on how to start conversations. Technical support from O2 gurus in store (free, don't have to be an O2 customer and no sales pitch) and via helpline 0808 800 5002

The Big Interview...

This week's interview focuses on our School Business Manager... DONNA LOWE

What do you like about working at Meadowside Primary School?

I have worked in schools since 2003. I love working with all of the staff at Meadowside and the children are wonderful. I would like to spend more time with the children but it can be difficult as the office can be very busy.

What are the key qualities to your job role?

To work in the office, you have to be very patient and trustworthy. There are a lot of different jobs to do, so it is important that you are very organised and reliable.

Can you tell me an interesting fact about yourself or family member?

My daughter attends a performing arts school in London called Arts Education. Sir Andrew Lloyd Webber is the President and Julie Andrews used to attend!

What are your hobbies/interests?

I really enjoy going to the gym where I lift heavy weights! This gives me a sense of achievement. I also like cycling and meeting up with friends.

What or who are you most proud of?

My children make me proud. My son is studying hard for his G.C.S.E's and my daughter is studying performing arts in London.

Other News

Don't Forget... Friday 30th June is Warrington Walking Day. A century or so ago, it was common across the country for churches to organise a walking day when groups such as Scouts, Guides and bands would march with their banners around the locality. Few of these events survive today, and the walk at Warrington is the best-known of the survivors. Around 4000 people take part with pipe bands, marching bands, banners and representatives from the local churches of all denominations. Roads in the town centre will be closed off for the procession.
