Don't hesitate to contact our welfare team if you want to talk it through. More information on our updated risk assessment and safety measures will be available over the next couple of weeks. Thank you for your support.

Take care and have a lovely weekend.

Virtual Sports Week

What a fantastic Sports Week we have had at Meadowside, both at home and in school. So many children have taken part in the daily challenges including bottle flips, the sock put, wall throw and shuttle runs, showing us their sporting skills throughout. Thank you to the staff who have well and truly got involved after school each day recording their efforts. Who knew Miss Phillip was so competitive?!

Huge thank you to Mrs Fowler and Miss Hackney for organising this wonderful event. We look forward to having a Sports Day back again next year.

Home Learning News

This term's whole school Geography theme on 'Our Wonderful World' starts with a philosophical question - "I wonder what...?" Year 2 have been wondering what life is like in Kenya. This week the children at home have been making some pretty impressive Maasi tribe shields, spears and necklaces. I wonder what they will be learning this week?

After School Club News

It's the penultimate week for the **Kreative Kidz** art club and we have had some incredible art submitted by a few dedicated children! This half term we have looked at art from America: Pop art and totem poles, space art inspired by printing and splatter painting and 'fabulous faces' inspired by Picasso and Easter Island head statues! What will the final 2 weeks bring?
